

Dear Patron members,

The North Dublin National School Project Patron Committee would like to draw your attention to some communications and information that will support you in understanding the next steps we are taking in investigating the proposal to transfer school patronage to Educate Together.

1. We have prepared a video of the presentation from the recent online *Information Session* on the proposal

You can access the video [here](#)

You can access the video with subtitles [here](#)

2. We have created a short explainer on the roles and responsibilities of a patron [here](#).

3. If you do have any questions at this stage, you can pose them via this [google form](#).

We have answered current questions in an FAQ available [here](#).

4. We have created a short document on the proposal which includes the information in one place on the proposal. It is available [here](#)
5. We are holding an in-person **Information Session** on the proposal, which will include an input from Educate Together Head Office, the proposed patron. The session will include an opportunity for questions. **This will take place in the school on Monday March 24th from 7 – 7.45 pm. Please REGISTER using this [link](#) if you wish to attend. This is simply to ensure we have the right size space and only your name is required.**

Everything related to this process will be published on our school website at this link <http://ndnsp.ie/about-us/patron/>

Kind Regards,
